Sympathy

We express our sympathy to the family of **Mattie Allen**, Mother of Sandy Duke & Tammy Green, who passed away Sunday June 24. Funeral Services were held at Liberty Hill, with McDonald Funeral Home overseeing. She was laid to rest Wednesday June 27. Sister Mattie is finally at rest after a long tiresome battle with Dementia and Parkinson's Disease. She was a loving and gracious lady, who has been such an important part of our church family. Mattie was a very active member here at Liberty Hill for 52 years (until her illness would not allow her to attend). She will be greatly missed, and forever in our hearts.

Jesus - As an Example Of Patience

Hebrews 12 says of Jesus' death on the cross that it was something He "endured." While His crucifixion was for our salvation, the Bible says His death is also an example for our lives.

When we are worn down during our daily tasks we are reminded in Hebrews 12:2, 3, "Looking unto Jesus the author and finisher of our faith; who for the joy that was set before him endured the cross, despising the shame, and is set down at the right hand of the throne of God. For consider him that endured such contradiction of sinners against himself, lest ye be wearied and faint in your minds." Before Jesus arrived at the cross He patiently trained the disciples. Even after His miracles and proclamations of being the Son of God, the disciples were often confused as to who Jesus was. Today we think of the disciples as being mature men of faith. But as we read through the gospel accounts, Jesus was still trying to teach them how to persevere in prayer up until the moment He was taken in the garden to be crucified.

Patience For Us Too

Whatever the task is that God has called us to, we need to continue doing the work even if we don't see the progress we would like to see. Even Jesus was teaching His disciples until the moment of His death. Jesus is an example of patience for us.

Galatians 6:9

"And let us not be weary in well doing: for in due season we shall reap, if we faint not."
