Upcoming Youth Group Events

- *(Tentatively)* Saturday September 29—Ark Encounter

Don Williams (from The North Alabama Christian Children’s Home) will be at Liberty Hill on Sunday Evening September 16 to speak to us about the great work they are doing. He will also pick up the collection tins that have been filled. If you would like a collection tin, you may pick one up in the church office, or ask one of the Elders.

The following is information about the children’s home, taken from their website.

The North Alabama Christian Children’s Home is a 501 ©3 Group Residential Home that is licensed by the state of Alabama to provide 24/7 care for up to 33 children. We seek to provide a “safe haven” for children who have come from an environment where they have been abused, abandoned, and/or neglected. Support of our organization comes from congregations of the churches of Christ, the state of Alabama, and a host of compassionate, supportive individuals and businesses.

Our goal is to aid children in their social, academic, emotional, physical and spiritual well-being as they live in a home with house parents, perhaps their children, and other children from the state. A “home” atmosphere where each person is important, where people work together as a unit, and where everyone accepts responsibility for their own actions, is what we desire to be found in each of our homes.

The majority of our children come to us from the state, and can come from any county. Typically, The Department of Human Resources desires to place children 50-75 miles from their own home. As a “faith-based” residential group home, we sometimes take children from the community, or from an area nearby, and seek to mentor and help those children “find their way.”

A child who comes to live with us must be between the ages of 6-17, have no severe emotional or behavioral problems, and be drug free. Since May of 1973, when our doors opened, some 300+ children have lived on our 10 acre campus. Some stay for a matter of weeks and/or months. Some have stayed as long as 10 years.

In January of 2014, some 5000 children of the state were in foster care facilities of some kind. North Alabama Christian Children’s Home is a Basic Residential Group home facility.
