Welcome!

We are glad you are here, and happy to serve you. Please let someone know of your needs.

Restrooms are located down the hall on either side of the pulpit. The men's restroom is before the second door. The ladies' restroom is after the second door.

We have a nursery down the hall to the right of the pulpit (second door on the right), and a nursery in the back right corner of the auditorium. There are also diaper changing stations in all restrooms.

The main focus will be evangelism from village to village. But they will also edify the brethren, and be dedicating church buildings.
